PO Box 97

Moranbah QLD 4744

Dear Dan

McMurtrie Consulting Engineers (MCE) are pleased to provide the attached report, *Belyando River Potential Contaminant Release Investigation Report* dated 21 April 2020. We have completed our own internal reviews and concur with all findings presented in the attached report by our trusted partners, STEER Environmental Consulting (STEER EC).

It is noted that MCE and STEER EC have had no previous involvement in construction works at the sites of the alleged release incidents. MCE and STEER EC are not aware of any affiliations with relevant entities involved in the alleged release incident, or conflict of interest that may impact our works.

If you have any questions or concerns please contact the undersigned.

Yours sincerely

**Lachlan McMurtrie**

Director
